Sec. 40-637. Ponds.

Manmade ponds must be enclosed with a fence sufficient to prevent easy access or shall be posted with notices stating the greatest depth of water therein and any extraordinary hazards to life occasioned thereby. Manmade ponds shall have sides sloped sufficiently to provide lateral support for surrounding land and, unless located also on neighboring land, shall be located at least ten feet from any neighboring property line. Prior to construction of such a pond, and permit must be obtained from the Zoning Administrator.
